

# Blight Entities

Those who are or have been affected by Blight

- [Blight Elementals](#)
- [Blight Nodes](#)
- [Accursed One](#)

# Blight Elementals

Creatures that spawn from Blight Nodes.

# Blight Nodes

Any structure or terrain feature in a Blight can be particularly Blighted. If so, this can open gateways from the current world into a deeper layer of the Blight.

# Accursed One

Birbs that have been directly touched by the Blight.

Examples:

the Beaked Fly

the Winged Worm
