# Prominent exchanges (for Falling Nest)

## Scene 1: Mask Off

<quote, during possible war crimes>

Jelvan: Do not speak so casually of God's will, or blasphemy, Terah. I love God with all of my being. I heed the voice of God. I hear It all around me, in the smallest spider that devours its prey, in the greatest fire that consumes the forest. God's voice is beautiful, and from this I know that God smiles on what I do. I tell you the truth, friend: if there's one thing God will forgive, it's a winner.

## Scene 2: Zyrin Faces A Crossroads

<after Kilim and Tiyan's martyrdom>

Jelvan: A regrettable loss, and my mistake. You must grieve Tiyan terribly, she was one of your best subordinates.

Turina: She was my *friend*, you **twisted freak!**

<with no more warning, Turina prepares her magic and attacks Jelvan. As tired as he is, he defends himself from the initial barrage>

Zyrin: Turina! What is the meaning of this?

Turina: You and I both know he left them to die on purpose!

<WORK IN PROGRESS>

Turina: You've spoken so often of making the world a better place, Zyrin, and I've served your vision faithfully. But you know something? I can't think of any way I could make the world a better place than wiping it clean of this monster. Right here, right now.

<WORK IN PROGRESS>

Turina: Him or me, Zyrin! You can't have both.

Zyrin: We need him. Who else fights like he does?

Turina: There's nothing more to say, then.

<Turina departs>

<WORK IN PROGRESS>
